Memorable
Experience!***

Steve Classen (Longview, TX) has presented this memorable experience for more than 20 years. He will explain and demonstrate the elements of the Passover from its origin in Egypt, then through the New Testament period, then into the modern era.

You will sample each element of the Seder meal just as Jesus and His disciples did over 2,000 years ago and will experience God's redemptive grace through all five senses as you taste, smell, hear, touch, and see God's provision for His people in both the Old and New Testament.
